

Yale Day of Service Email Suggestions

When reaching out to volunteers from prior years...

Hi Everyone!

It's that time of year again – the 2019 Yale Day of Service will take place Saturday, May 11. I am writing because you have either participated in past years expressed an interest in helping out this year.

To view the site that I am coordinating this year, visit <https://yaledayofservice.org/find-service-site> and search by [insert location or keyword]. Please save the date and let me know if you plan to attend.

If you can't make on the 11th, I encourage you to participate in one of the other events on the Day of Service website. Events are scheduled throughout the month of May. Let's make this year's day of service the best ever!
