

## Yale Day of Service Email Suggestions

Hi Everyone!

It's that time of year again – the 2021 Yale Day of Service cycle is underway. Continuing the practice from 2020, 2021 will again be a YEAR of service! I am writing because you have either participated in past years or expressed an interest in helping out this year.

To view the site that I am coordinating this year is called \_\_\_\_\_. You can see the details on the [YAA Events Calendar](#) and search by the service category. Please save the date [DD/MM/YYYY] and let me know if you plan to attend.

If you can't make on that day, I encourage you to participate in one of the other events on the YAA Day of Service Event Calendar. Events are scheduled throughout the spring and summer. Let's make this year's day of service the best ever!
